MISSING PREACHER TURNS UP

COLUMBUS, O., June 15th-Rev. L. S. Fuller, the Methodist minister, who disappeared from Evergreen, Gallia county, the night of Friday, February 24, returned to his family in Colum-bus last night, after an absence of nearly-five month.s During that time he wandered about, he knows not where, except that he was in Cincinnati and St. Louis. After that he went to the West, where he remained until located by relatives.

While there is hardly any probability that Congresssman W. J Fields of the Ninth District will have any opposition for the Democratic nomination this time, a number of Democrats, nevertheless, are said to be grooming themselves for the place two years hence, among them Thomas D. Slattery of Mason, M. J. Hennessey of Bracken, Will A. Young of Rowan, Edgar A. Hager of Boyd and Colonel Green R. Keller of Nicholas.

Since the Ninth District was so gerryman dered by the last Logislature to make it cer tainly Democratic it has become an inviting nela cor Democratic Congressional aspirants, and it took quite a lot of persuasion to keep them from making a lively acramble for the place this time, despite the argument that Congressman Fields, who redeemed the district when it was not so favorable to Democracy, was entitled to an endorsement at the bands of the Democrats.

Hello, Central! 1 he Woman Haters

"The Victoria Cross" Wednesday.

Housework Drudgery!
Housework is drudgery for the weak woman. She brushes, dusts and scrubs, or is on her feet all day attending to the many details of the household, her back aching, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy feelings. Sometimes rest in bed is not refreshing, because the poor tired nerves do not permit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription, and as Mrs. Briggs and others testify:

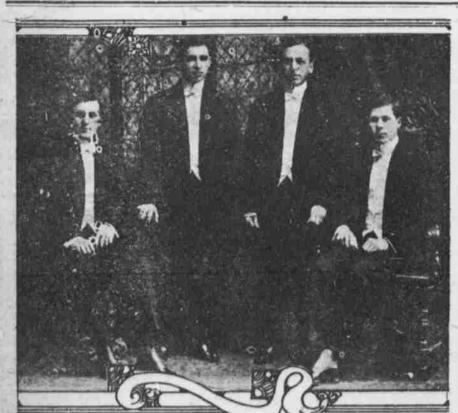

It Makes Weak Women Strong and Sick Women Well. This "Prescription" removes the cause of women's weaknesses, heals inflammation and ulceration. It tranquilizes the nerves, encourages the appetite and induces restful sleep.

Dr. Pierce is perfectly willing to let every one know what his "Favorite Prescription" contains, a complete list of in-gredients on the bottle-wrapper. Do not let any druggist persuade you that his unknown composition is "just as good" a order that he may make a bigger profit.

Mrs. Brazille Briggs, of 529 N. Washington St., Delphos, Mrs. Brazill. Briggs, of 529 N. Washington St., Delphos, Ohio, writes: "Having taken your 'Favorite Prescription, for a bad case of intestinal disease and constipation with woman's dis, for which I was almost unable to do anything, I think I am safe in saying that there are no remedies in the world like Dr. Pierce's Favorite Prescription and 'Purifying Lotion Tablets,' I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicines which have done me a world of good."

The Carroll Glee club, which is coming to our Chautauqua, is made up of young men with a strong personality who make friends with their audiences as soon as they step upon the platform. They have sung together since they were small boys and produce a harmony that would do credit to four brothers who had been singing together for years. The members of this quartet spe-lize on vocal music. Aside from the plane, no instruments will be

James I, was king of England. He had succeeded Queen Elizabeth in 1603. He was a secundrel in a weak, stilted way.
